Jerash is a Roman city in the north of Jordan. It is located 48 kilometres north of the capital city Amman. It is more than 2,000 years old! Jerash is one of the most visited sites in Jordan after the Nabataean city of Petra. When you go there, the first thing you see is the entrance to the city. The arch is very tall. You must buy a ticket before you go in. The entrance is south of the ancient city, close to Hadrian's Arch. The ticket office is in a modern souq with souvenir shops, a post office and a coffeehouse. Keep your ticket, as you will have to show it at the South Gate. The Romans enjoyed watching sport. There is a stadium for Roman horse races. You can watch races there today, Jerash has three Roman theatres. The biggest theatre is the South Theatre Five thousand people can sit here. This temple is on a hill. There is an amazing view of the city from here. I think it is important to learn about historic places around the world. We must protect them so that people can visit in the future, too.

TEST 1

My father and my uncle have an old boat which they are repairing. I am learning to sail but Aya doesn't like the water very much! On Friday evening, my parents and I usually have a big dinner with my grandparents and we sometimes stay at their house. It's bigger than our flat.

TEST 2

At the weekend, we do our homework and on Saturday we sometimes spend time with our father and uncle on their boat. On Saturday morning, I often stay in bed and then I have a late breakfast with grandmother. She's a fantastic cook! In the afternoon, I do my homework.

TEST 3

It's normal to get worried or to feel sad sometimes, but what helps teenagers to feel happy? We found many things that can help. Teenagers often don't sleep enough, but this is a time in your life when you need a lot of sleep. Young people who sleep eight to ten hours a night are much happier! It's good to be alone sometimes, but you should spend time with your family and also try to make new friends

TEST 4

People need nature to be happy. Go to the desert or the river, if you live in the city, go to a park. When you do something kind for someone else, this makes you feel happy, too. Try it you feel really good. One of the best ways to be happy is to remember the good things in your life and feel pleased about them.

TEST 5

It is normal to think that other people are doing more exciting things than you, but remember: you are wrong! When you go to the park or the beach, do you send photos to your friends? They probably think YOU are having a better time than they are! Remember that we all work and relax at different times. Be grateful for the good things in your life and continue to work hard!

Twice a week, my brother and I take out the rubbish. We do it together because the bins are quite heavy. My parents donate money to a charity which helps a local school for disabled people. We think it is important to help people in the community.

Listening text. I'm Adel. I work as a volunteer for a charity which helps to clean our local beach. At the weekend, we go to the beach and pick up the rubbish that people leave behind. We always pick up lots of plastic bottles!
